This was submitted by LAPD, I will follow up with DOT.

We are still waiting for signs on Manchester, our Mobility Deputy met with DOT this week to get an update on that one. I will ask for an update on this too. Thank you in advance for your patience. The request is in so there is no reason they should deny an LAPD request, it might just take some time.

- MyDOT Service Request #69317 (Oct 27, 2016)

Do you know the status of the BID's request?
